STEP-BY-STEP INSTRUCTIONS

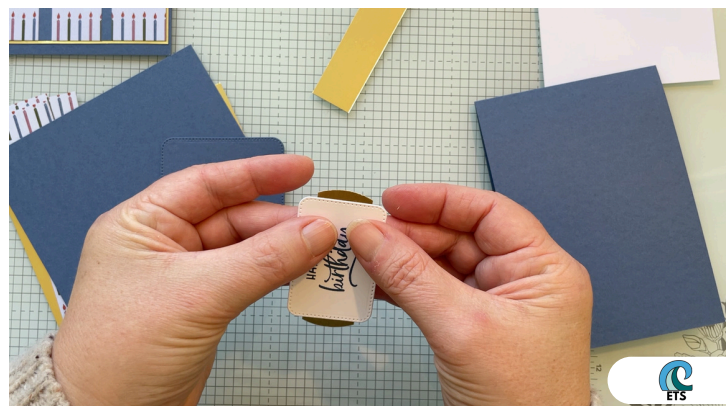

1. Cut your patterned paper into 3 x 2.8 cm strips.

2. Die cut with the Nested Essentials Dies a rectangle in basic white and a larger rectangle in Misty Moonlight. Stamp your sentiment in Misty Moonlight onto the basic white label.

3. Punch a label from the scrap of gold foil and cut in half. Adhere each half of the label to the back of the sentiment label.

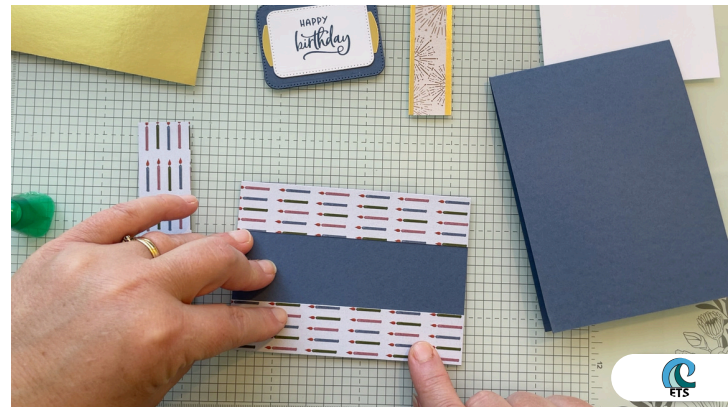

4. Adhere this to the Misty Moonlight label.

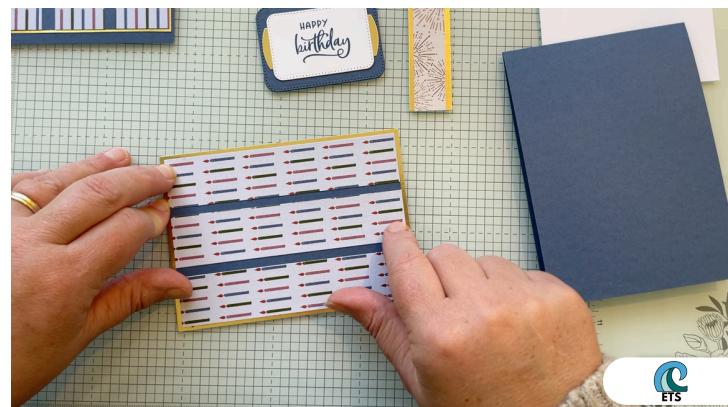

5. Adhere the patterned paper strip to the gold foil strip.

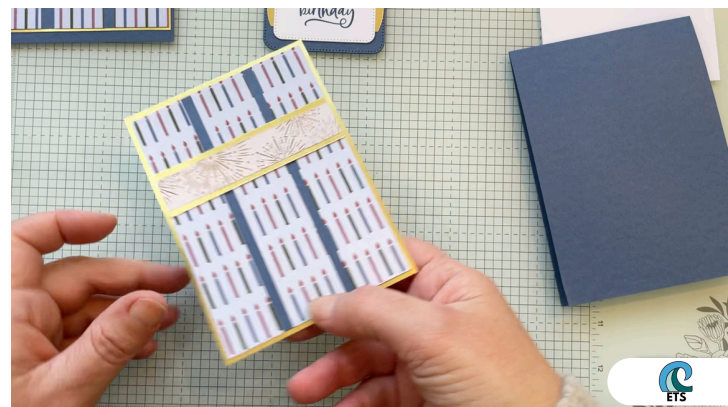

6. Adhere the 2.8 cm patterned paper strips to the Misty Moonlight mat, aligning the corners and the sides of the outside pieces to the mat. Adhere the centre strip keeping an equal distance between the strips.

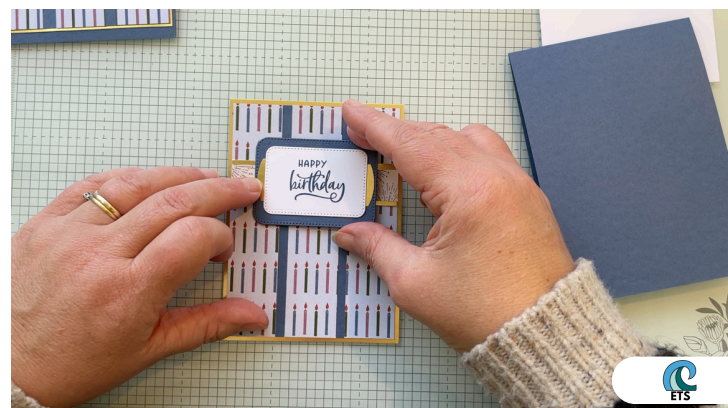

7. Adhere the Misty Moonlight mat to the gold foil mat.

8. Adhere the horizontal strip to the top third of the decorated card front piece. Centre the sentiment label and adhere to the strip.

9. Centre and then adhere completed the card front piece to the card front. Adhere the basic white card insert inside the card and decorate as desired.
